

Hønses trikk

By Birgit Djupedal

This piece is for five groups, from one to as many as suitable in each group. Everyone chooses between singing or playing on a recorder (or a different cheap and accessible instrument). If someone chooses to sing, sing on any vowel. Everyone in one group must keep the same tempo, but the different groups can vary in tempo since they have different songs to play. It's fine to perform the songs in a different key than what's notated. Each group needs a stopwatch.

When you start to play, begin at the beginning of the song. One doesn't play all the time, so when you begin to play again after a pause begin at the beginning of the bar where you ended.

The musicians should stand in one line facing the audience. Group 1 should be on the left side (looking from the audience), then group 2 etc.

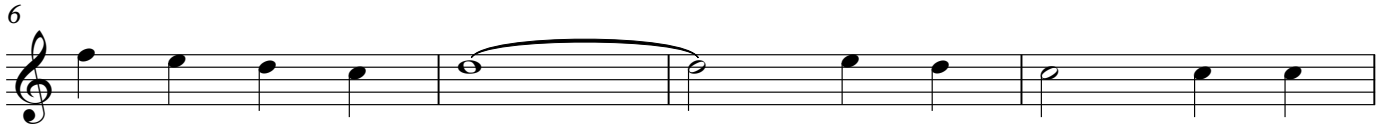

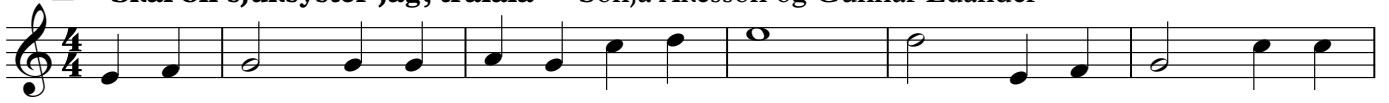

Group 1	"Skal bli sjuksyster jag, tralala" - Sonja Åkesson og Gunnar Edander
Group 2	"Sommarens sista krusbär" - Suzanne Osten og Gunnar Edander
Group 3	"Vi är många" - Wava Stürmer og Gunnar Edander
Group 4	"Vad det är gott att ogift vara" - Eva Gustava Jansson, Svea Jansson og Gunnar Edander
Group 5	"Alle säger att hon är smutsig" - Göran Malmqvist og Gunnar Edander

The songs are all from the book "Sångbok för kvinnor" - Gunnar Edander 1973.
